Scissors for the Work-Basket.

THE GLORIANA SCISSORS. — Made of Finest Razor Steel with decorative finish, embossed in Nickel and Gold and dented along the sides, with Blades finely polished and sharpened having a convex finish along the backs and dull regular finish to the edges; also fitted with a patent Spring, which forces the blades apart, making the blades cut independently of the screw. These scissors unite in themselves the practical and ornamental, and form a dainty accessory of the work-basket.

Bust and Hips

Every woman who attempts to make a dress or shirt waist immediately discovers how difficult it is to obtain a good fit by the usual "trying on method" with herself for the model and a looking glass with which to see how it fits at the back.
